

Lenovo Buy 3 ThinkServer HDDs, Get the 4th FREE

Over 20 ThinkServer Storage Options to Choose From

ThinkServer™ Hard Disk Drive options cover the entire spectrum of server storage needs with Serial ATA (SATA) and Serial Attached SCSI (SAS) offerings. The portfolio includes both 2.5" and 3.5" form factor drives in 2 flavors: Hot-Swap and Simple-Swap. The newest ThinkServer systems are ready to jump-start your business with high performance per volume SAS and SATA 2.5" slim-form-factor (SFF) hard disk drives. 2.5" SFF hard disk drives provide you with the perfect solution where performance is key and scalability is vital.

ThinkServer - Built Rock Solid

Our one- and two-way Intel®-based rack and tower ThinkServers are designed with rock-solid engineering to keep customers focused on growing their business rather than fussing over technology. ThinkServer systems combine thoughtfully designed, business-ready software and service solutions that allow for easy installation, maintenance and updates.

Management tools like EasyStartup get your customer's server up and running quickly and painlessly. Integrated Management Module gives your customer 'round the clock' out of band access to their ThinkServer from any location. EasyManage makes multi-server management a breeze by giving your customer the flexibility to remotely manage multiple servers from one location.

New Lenovo ThinkServer-branded processor, memory and hard drive options give your customer's extended choices and comfort knowing a trusted name is driving their machine. Our twelve processors, eight memory offerings, and twenty hard disk drives are sure to give your customer a computing edge.

Up to a \$789 Value

SELECTING THE RIGHT SOLUTION – SAS OR SATA

Technology	Form Factor	Speed	Usage Scenario	Usage Intensity	Notable Specifications
SAS	2.5" 3.5"	15K rpm 10K rpm	<ul style="list-style-type: none"> Performance-intensive High availability Random reads 	24/7, many users accessing information or running mission critical applications	3.5ms to 3.9ms typical seek time
SATA	2.5" 3.5"	7.2K rpm 10K rpm	<ul style="list-style-type: none"> Capacity-Intensive Low-availability Sequential reads 	8x5, system storage applications such as storing content or archiving data	9.5ms typical seek time

** Offers valid in the U.S. only through December 31, 2009 or while supplies last. Not combinable with any other offers or promotions. Not combinable with special bid pricing.

** Lenovo pays an instant rebate to the Authorized Distributor for the free hard disk drive. Solution Partners should discuss the rebate (PAB # L2Q100028) with their Distributor at time of purchase.

** Distributors set their own prices and may charge for shipping and handling for the free memory or free monitor.

Call your Solution Partner Sales Representative to learn more.
